*"Everyone has a calling. Ours is helping you!"*

February, 2017

Dear Member of the Business Community:

"SAIL THE SOUND" has been PRC's major, annual FUN and FUNdraiser for seven years. Its phenomenal success has relied on two things: our providing our guests with a great evening and our obtaining the sponsorship that underwrites the event with interest. The fun evening comes easy. What can beat a sunset sail to kick off the start of summer? The second, sponsorship, is where we place our trust in you. We offer many options (see attached brochure) to choose from; which one is right for you?

Through the years, PRC has been very fortunate to receive strong support from the business community; we are most grateful. If you have been one of our valued past sponsors, please accept a great big THANK YOU! Your support is greatly appreciated. We also hope you will plan on renewing, possibly even increasing, your level of sponsorship in 2017. First time being approached? We are confident that you, like all those before you (see reverse of this sheet), will find that this event offers an unique opportunity to reach out to the many faith communities PRC is privileged to serve and through each of them to the even wider community to whom they minister.

Thank you *ALL* for your interest and support. This event could never have had the success it has achieved without each and everyone of you. We look forward to once again proudly listing you as a PRC valued friend and supporter.

Grace and Peace,

Ronald W. Homa  
President, Board of Directors
