

# WHAT ARE ELEMENTS OF CELTIC SPIRITUALITY?

## HOPE

Looking first for the good rather than the evil in all things.

## ENVIRONMENTAL STEWARDSHIP

The Earth is holy,  
and we have a Divine call to care for the creatures with whom we share our planet.

## HOLISM

Awareness of the sacred in all times and places;  
refusal to compartmentalize life.

## DIVINE IMMANENCE:

God is present in the world,  
in Nature, in human society, in all of life.

## LOVE OF THE ARTS

Words, shapes, movement, and music  
form connections between humans and the Divine.

## MYSTERY

The world is full of wonder, things beyond our comprehension;  
the Otherworld is just next door.

## HOSPITALITY

Welcoming the stranger,  
no matter who he is or what she looks like.

## EQUALITY

of all.
